Dear Cedar Tree families:

Believe it or not, we are already at the halfway point in our school year, and it is time to begin our reenrollment process for the fall. We thank God for all of the blessings we have enjoyed thus far and look forward to what He has in store for us in the future.

Included in this packet is the Tuition and Fee Schedule for the 2010-11 school year. You will notice that the tuition costs represent an overall increase of 5% over last year, while the fees remain the same. Recognizing the presently challenging economic conditions, the Board has at the same time increased the amount of scholarship funds available. As you are aware, the tuition and fees do not cover all of our actual operating expenses, and we are thankful that the Lord has continued to provide generous donors who have helped us maintain a positive cash flow every year.

Attached you will find the two reenrollment forms which need to be completed and submitted with the registration fee. We have substantially streamlined the reenrollment process, merely asking you to verify your current information and to make any necessary updates. Unless you are enrolling a new student, **these are the only forms you will need to fill out for the upcoming school year!**

**All students currently enrolled in Cedar Tree are given preference to reenroll prior to the beginning of the Open Enrollment period, which this year begins Thursday, February 4.**

Because of the substantial number of early inquiries and visitors, it is anticipated that applications for Kindergarten through 6th grade students, in particular, may very well exceed the number of available openings. Please note that space for a student will not be reserved without the registration fee and completed forms.

We take seriously the responsibility of assisting you in raising your children in the Lord by providing an excellent classical Christian education with a comprehensive biblical worldview in a nurturing environment. Please contact the school office ([office@cedartreeschool.org](mailto:office@cedartreeschool.org) or 887-0190) if you have any questions.

In His service,

Tom Bradshaw  
Headmaster
