**Senior Student (Rhetoric 4) Dress Code:** Seniors are invited to dress professionally as guided by the example of their teachers. This means that, in addition to following the uniform principles above that reflect a concern for others over calling attention to one's self, senior gentlemen may wear business casual clothing that includes a collared shirt and non-denim slacks, or a dress shirt and tie with or without a suit or sport jacket. Outer wear worn inside the classroom should follow a professional model (e.g., no sweatshirts). Shoes should be coordinating dress shoes, not athletic or tennis shoes of any variety. Seniors are required to wear dress uniform on those designated days and are always welcome to wear everyday uniforms on other days.
