***Senior Student (Rhetoric 4) Dress Code:** Seniors are invited to dress professionally as guided by the example of their teachers. This means that, in addition to following the uniform principles above that reflect a concern for others over calling attention to one's self, senior ladies may wear dresses or skirts of modest length (mid to lower thigh) or loose, non-tight, non-denim dress slacks with appropriate tops. No skinny style or form fitting slacks or leggings of any kind may be worn without a dress tunic that falls at least to mid or lower thigh. Outer wear worn inside the classroom should follow a professional model (e.g., no sweatshirts). Shoes should be coordinating dress shoes, not athletic or tennis shoes of any variety. Seniors are required to wear dress uniform on those designated days and are always welcome to wear everyday uniforms on other days.
